HOT LINE NUMBER	
Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact 1-888-478-0798 for emergency medical treatment information.	

FOR EMERGENCY MEDICAL RESPONSE AND HAZARD COMMUNICATION ONLY, CALL 1-888-478-0798

### PRECAUTIONARY STATEMENTS HAZARDS TO HUMANS AND DOMESTIC ANIMALS CAUTION

Causes moderate eye irritation. Harmful if absorbed through the skin. AVOID contact with eyes, skin, or clothing.

### PERSONAL PROTECTIVE EQUIPMENT (PPE)

#### Applicators and other handlers must wear:

- Long-sleeved shirt and long pants
- Chemical resistant gloves made of any waterproof material such as polyethylene or polyvinyl chloride
- Shoes plus socks

If you want more options for chemical-resistant materials, follow the instructions for category A on an EPA chemical-resistance category selection chart.

Follow manufacturer's instructions for cleaning/maintaining Personal Protective Equipment (PPE). If no such instructions for washables, use detergent and hot water. Keep and wash PPE separately from other laundry.

### ENVIRONMENTAL HAZARDS

This product is toxic to fish. For terrestrial uses, do not apply directly to water, or to areas where surface water is present or to intertidal areas below the mean high water mark. Do not contaminate water by cleaning of equipment or disposal or equipment washwaters.

### DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Do not apply this product in a way that will contact workers or other persons, either directly or through drift. Only protected handlers may be in the area during application. For any requirements specific to your State or Tribe, consult the agency in your state responsible for pesticide regulation.

### MIXING PROCEDURES

Shake the product container well before using. Add ½ of the required amount of water to the mix tank. With the agitator running, add the required amount of Moncut SC to the tank. Continue agitation while adding the remainder of the water. Begin application of the solution after the Moncut SC has completely dispersed into the mix water. Maintain agitation until all of the mixture has been applied. Flush the spray equipment thoroughly following each use and apply the rinsate to a previously treated area.

#### USER SAFETY RECOMMENDATIONS

Do not eat, drink, smoke, or chew gum, or tobacco while handling this product and until hands and face are thoroughly washed with soap and water. Do not use the toilet before thoroughly washing hands.

If this product penetrated through your clothing or personal protective equipment, stop handling this product immediately, remove the clothing and equipment, wash your body thoroughly, and put on clean clothing and equipment before resuming the handling activity.

After handling this product, remove personal protective equipment immediately. Wash the outside of gloves before taking them off. Shower or wash thoroughly and change into clean clothing as soon as possible.

Discard clothing and personal protective equipment that cannot be reused, including clothing and other absorbent materials that have been drenched or thoroughly contaminated with this product's concentrate. Otherwise, wash clothing and personal protective equipment (including both the inside and outside of gloves) before each day of reuse according to manufacturer's directions or, if no such directions, in detergent and hot water. Keep and wash them separately from other laundry.

#### AGRICULTURAL USE REQUIREMENTS

Use this product only in accordance with its labeling and with the Worker Protection Standard, 40 CFR Part 170. This Standard contains requirements for the protection of agricultural workers on farms, forests, nurseries, and greenhouses, and handlers of agricultural pesticides. It contains requirements for training, decontamination, notification, and emergency assistance. It also contains specific instructions and exceptions pertaining to the statements on this label about personal protective equipment (PPE) and restricted-entry interval. The requirements in this box only apply to uses of this product that are covered by the Worker Protection Standard.

Do not enter or allow worker entry into treated areas during the restricted-entry interval (REI) of 12 hours.

PPE required for early entry to treated areas that is permitted under the Worker Protection Standard and that involves contact with anything that has been treated, such as plants, soil, or water is:

- Coveralls
- Chemical-resistant gloves, such as barrier laminate or viton
- Protective eyewear
- Shoes plus socks

#### USE PRECAUTIONS

Do not use oil as carrier or add other additives to the finished spray.

Do not plant rotational crops other than peanuts, rice, or potatoes for 12 months following last application of Moncut SC, with the following exceptions:

- Leafy vegetables (such as lettuce, spinach or celery), or small grain crops (such as wheat, barley, oats, or rye) may be planted 150 days after the last application.
- Corn (such as field, sweet, or popcorn), soybeans, sorghum, or cotton may be planted 240 days after the last application of Moncut SC

#### APPLICATION DIRECTIONS FOR POTATOES

(In-furrow use only)

Do not apply this product through any type of irrigation system on potatoes

CROP	DISEASE	RATE PER ACRE (oz./a)	APPLICATION DIRECTIONS
Potatoes	Black scurf ( <i>Rhizoctonia solani</i> ) (Soil and seed borne)	16 to 24 oz per acre (see reference chart below)	Apply 16 to 24 oz. of Moncut SC per acre (see reference chart) as an in-furrow spray by directing spray uniformly around and over the seed piece in a 6-8 inch band prior to covering with soil. Use a minimum of 3 gallons of spray volume per acre. Use highest rate when disease conditions are expected to be severe, or if field has a history of <i>Rhizoctonia</i> infestation.

#### IN-FURROW APPLICATION RATES

ROW SPACING	16 oz. rate per acre	24 oz. rate per acre
	OUNCES PRODUCT/ 1000 ROW FT.	OUNCES PRODUCT/ 1000 ROW FT.
40" Row	1.23 oz.	1.84 oz.
38" Row	1.16 oz.	1.75 oz.
36" Row	1.10 oz.	1.65 oz.
34" Row	1.04 oz.	1.56 oz.
32" Row	0.98 oz.	1.48 oz.

#### STORAGE AND DISPOSAL

**STORAGE:** Store in a cool, dry place.

**PESTICIDE DISPOSAL:** Do not contaminate water, food or feed by storage or disposal. Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

**CONTAINER DISPOSAL:** Completely empty bag into application equipment. Then dispose of empty bag in a sanitary landfill or by incineration, or, if allowed by state and local authorities, by burning. If burned, stay out of smoke.

**FOR 24-HOUR EMERGENCY ASSISTANCE (SPILL, LEAK, OR FIRE), CALL CHEMTREC® (800) 424-9300.**

For other product information, contact Gowan Company, LLC  
or see Material Safety Data Sheet.

#### NOTICE ON CONDITIONS OF SALE

Our recommendations for use of this product are based upon tests believed to be reliable. The use of this product being beyond the control of the manufacturer, no guarantee, expressed or implied, is made as to the effects of such or the results to be obtained if not used in accordance with directions or established safe practice. The buyer must assume all responsibility, including injury or damage, resulting from its misuse as such, or in combination with other materials.
